Display size
46"- 90"

Max load
250lb (113kg)

SMARTMOUNT

Universal Flat Wall Mount

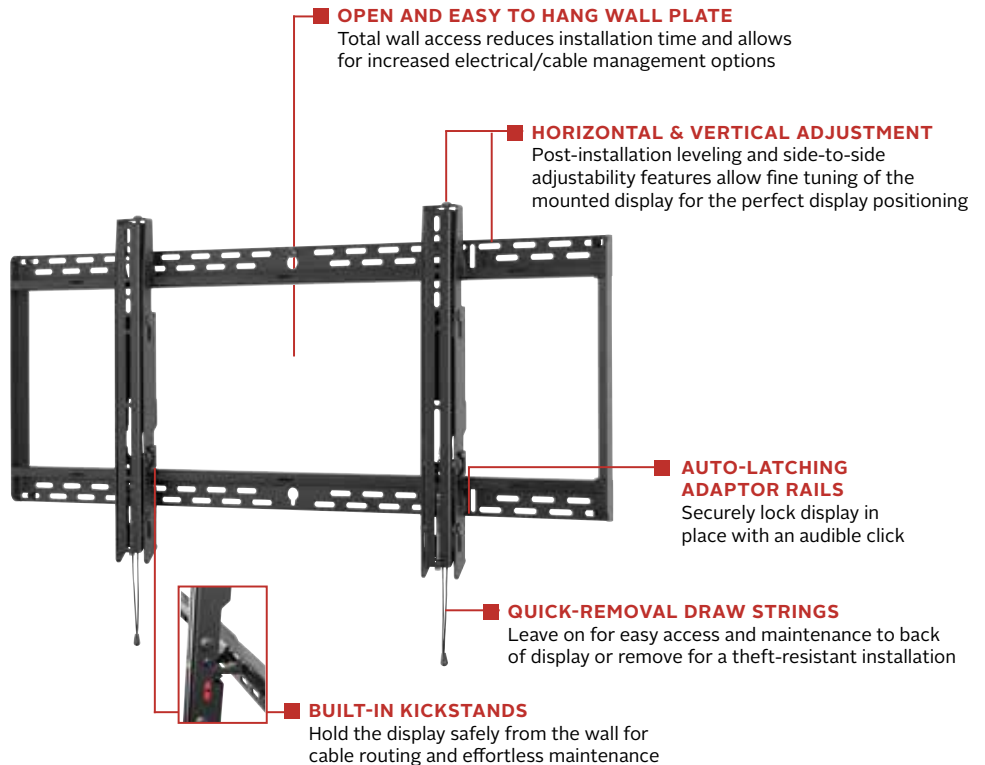

FOR 46" TO 90" DISPLAYS

Peerless-AV's SmartMount® Universal Flat Wall Mount delivers an ultra-slim profile designed to hold large displays up to 250lb. Installation and maintenance are made easy with the SF670's robust feature set. Auto-latching adaptor rails automatically secure the display without the use of a tool. The mount's built-in kickstand holds the display safely from the wall during cable routing, while the open wall plate allows for increased electrical and cable management options. Horizontal and vertical display adjustment allow for quick fine-tuning of the mounted display.

The SF670(P) reduces installation time and provides the most stable mounting solution for large interactive displays.

Additional Features

- ✓ Universal mount fits displays with mounting patterns up to 895 x 450mm (35.25" W x 17.72" H)
- ✓ Low-profile design holds display only 1.73" (44mm) from the wall
- ✓ Easy hang wall plate allows a bolt to be pre-installed to ease wall plate installation
- ✓ Lateral display adjustment up to 11.25" (286mm)
- ✓ 1" of post-installation vertical adjustment provides flexibility in the installation
- ✓ Includes fastener pack with all necessary mounting and display attachment hardware

For mounts requiring theft resistant hardware, installed with security tool (included), please purchase SF670

For mounts requiring standard hardware, installed with a Philips screwdriver, please purchase SF670P

Please visit peerless-av.com/en-us/patents for patent information.

Low-profile design for a sleek, yet compact installation

Comes in color packaging with included installation hardware and easy to follow instructions.
